ABOUT PALLINI

Pallini Limoncello is an artisanal Italian lemon liqueur crafted from an authentic recipe created by the Pallini Family in 1875.

It is made with Italy's finest Sfusato Lemons, grown on the sunny hillsides of the Amalfi Coast, and carefully hand-picked for optimal freshness and flavor.

UNIQUE SELLING POINTS

Pallini Limoncello is made using the precious Amalfi Sfusato Lemons. Due to the low acidity and sweet taste, this fruit is commonly called "Bread Lemon". In fact, it is the only citrus you can eat like an apple!

The Amalfi Sfusato Lemon grows very slowly for approximately one year and is GMO & pesticide free.

Smooth, extremely versatile, Pallini Limoncello is enjoyable straight from the fridge, on the rocks, or mixed into countless cocktails like the Pallini Spritz.

Pallini is the most awarded Limoncello brand, is Gluten free, Vegan, Kosher and it has been nominated "Italians' favorite Limoncello" brand.
